Committee Chair Report - Nancy Ozawa

It was announced that the Troop shed must be moved. It is currently on city property & we need to find a new location. We are waiting to hear if the city still wants to keep the current shed and we will need to move the entire unit or if we need to purchase a shed kit that will need to be build. We are looking for ideas as well as how to finance it as well as a new location. Our current shed is 12'x 16', fully loaded. Suggestions were to either hold a fund raiser or increase the annual dues to pay for this expense. If you have any suggestions and ideas, please contact Nancy.

The scouts have compiled an event calendar for the next 7 months & it should be avail soon. We will be looking for parents to help make the suggested events a reality.

Stay tuned

There are several key volunteer parent positions open at this time. We are looking for a Garage Sale Coordinator for a March fund raiser, Short Term Outing Team Member, Community Events Coordinator, and a Recharter Assistant. We need two parents to help lead the mistletoe fund raiser in Dec. This is imperative as it is our main troop fund raiser. We also are so grateful to Rick Martin for serving as our accountant for numerous years. Rick has done such a fine job. We appreciate all the support and time he has given our troop. We are happy to announce that Deanna will start to fill his shoes.

Please consider supporting the troop by volunteering in any of these positions. If you have questions or want to volunteer, please contact Nancy at nancyozawa@yahoo.com
