Committee Chair Report - Nancy Ozawa
The discussion continued on purchasing and moving the existing shed. Jeff Pelz estimates that this will cost the troop for a 10' x 12' shed from $2,000 - $3,500. The shed deadline is June 2014. There were suggestions made for a fundraiser such as selling hot chocolate and/or apple cider at the table during the December mistletoe fund raiser. Other suggestions were painting addresses numbers on curbs and having a special promtoion restaurant night at a specific location. We are still trying to work with the city on the current location and also keeping the existing shed which needs to be repaired.
Nancy is looking for a Garage Sale Coordinator to handle this fund raiser effort scheduled in March. Also we can have a recycling center and a car wash at the location during that time.
Mistletoe planning is now in progress. Several parents have stepped up to help coordinate this December fund raiser event. More information and sign-up genius will be available soon to get the slots filled. This is a mandatory fund raiser event for the Troop.
Thank you to John Larson who has stepped up to assist with Short Term Outings as a Team Member and Michelle Simpson for helping with the Recharter.
Scoutmaster Corner - Tom Azzopardi
Tom addressed Troop Guides positions for the older scouts to help the younger scouts. This is a 6 month position and the Troop Guides will be looking for missing requirements for advancement. The Troop Guides must be trained before signing books. This will help boys with Troop responsibilities. It is imperative that the younger scouts trying to get rank advancement bring their book.
