Committee Chair - Kim Lonie
Kim discussed changing the format of the parent meetings to more of a targeted event discussion and after will follow any new announcements. Mike Brown and Kim are looking for upcoming topics that the parents would like to be discussed. Kim is looking for adult volunteers to fill positions to help with the troop. She will be finalizing the list and having it available through e-mail and on the web site. Anyone interested in filling a position, this will be a great learning opportunity. She also mentioned that the troop is looking into Facebook as well. Please contact Kim at kmouse@att.net if you have any input.

Scoutmaster’s Corner – Mike Brown
Mike reported that the scouts will be working on some new merit badges. He has suggested Chess, Public Speaking and Salesmanship which will be perfect for our mistletoe sales in December. Selling mistletoe is our only fundraiser. We pick, package and sell the mistletoe at local supermarket front entry ways. Since it is our only fundraiser, every scout and parent needs to participate.

There also is an used adult scouting uniform that will be given to an adult who is interested in serving on the troop. His requirement is that the adult must be scout trained. There are scheduled training sessions on Sept. 24, for ASM (Assistant Scout Masters) on October 1 & 8 and an outdoor leadership training program October 21 – 23. Please contact Mike at mvbrown9983@gmail.com if you are interested.

Advancement Chair – Kathi Nichols
Troop Roster –Maureen Brooks Any changes, please contact brooks238@comcast.net
Webmaster – Umesh Apte

Past Activities
Waddell Creek Camping Trip – This was a fun adventure for all scouts. It was at a remote location and the boys seem to have a good time. They had a big bonfire right on the beach. Thank you to Scott Harrison & Steve Rettig for coordinating and attending this event.

Tuolumne Meadows in Yosemite This was a fun adventure as well. The weather was unpredictable where they encountered warm, rain, hail and cold. They hiked near a top of a dome and had lunch. They explored valleys, meadows, Soda Springs and the visitor center. We are grateful for the invitation from Pack 842.
