Committee Chair Report - Nancy Ozawa
Nancy was looking for suggested topics for Information Development discussions at future parent meetings. She also submitted the key procedures for the Scout Fundraising Account for the Troop Handbook and asked for any suggestions or changes. This is a great opportunity for a scout to earn funds for camping activities within Troop 84 outings. This scout account is voluntary and does not replace the requirement to participate in Troop 84 annual mistletoe sales in December.

We are pleased to announce that at this time there will be 20 new scouts who have crossed or will be crossing over this Spring. We want to welcome all the new scouts and their families. If you have any questions or comments, please contact Nancy at nancyozawa@yahoo.com
