Committee Chair Report - Nancy Ozawa
Scoutmaster Corner- Tom Azzopardi
The meeting addressed all concerns for summer camp at Camp Wolfeboro which is located on Highway 4 in Bear Valley. Here is the lowdown: The Troop will be providing the tents, please have your scout bring an insulated foam pad to sleep on. All scouts must wear their class A uniform traveling to and from camp as well as during camp ceremonies during the week. Please check to make sure that all patches are updated on the scout shirt. There is a trading post at Wolfeboro which is well-stocked with merit badge supplies, souvenirs, drinks and snacks. Have your scout bring spending money, recommended $40-$60 as well as money for the ride home on Saturday as they will stop for lunch. Please bring a bag lunch on Sunday, July 7.
If your scout will be bringing medication, please keep in the original containers in a ziplock bag with his medical form. It is recommended for each scout to bring a wide brim hat along with preferred spray sun screen. Also 2 pairs of sneakers or shoes would be ideal along with a wool hat and gloves. Please do not have your scout overpack, label all clothing.
If you would like to send mail, please mail to Wolfeboro a week before camp or put in the troop mail bin on Sunday morning they leave. It is nice for the scout to receive letters or a care package from home from the family. The Dollar Store is a great place to pick up small items for a fun box. Scouts will be busy that week and our goal is to make sure that they stay safe and enjoy the entire scouting program.
