Committee Chair Report - Nancy Ozawa
We will be starting a new process for the medical forms. Parents will need to complete Part A & Part B of the medical form for scouting records. After completing these parts, parents will need to turn-in 3 hard copies. Part C, which is requires a dr. signature can be updated and sent in later. All medical form parts must be current in order to attend summer camp. Hemant Puranik will be sending out an e-mail for all the medical form requests.

For privacy purpose, if there is a photo of your scout on the website that you would like to have removed, please contact Nancy. nancyozawa@yahoo.com
