Past Events
Camp Wolfeboro – 32 boys attended camp Wolfeboro, 2 were from another troop. 6 adults were there all week with one father coming up for just a couple of days. The trailhead was very organized. The boys came home with a whopping 75 merit badges completed! They also came home with 16-17 partial merit badges. What a great trip was had by all. We want to send a special thank you to all the parents who attended camp. They really helped our troop to move forward.
